Members
There was no official or Parliamentary recognition of the system of pairing. Private Bills
Any point of Order should have been raised before the 2R. There was no reason why the Bill (London Building Bye-Laws) should not be introduced as a Private Bill. If the Bill raised a question of public policy, that was a question which should have been raised at the proper time *April* 2, 1107

Questions
Under the Rules of the House a Member was responsible for the statements contained in a Question *April* 5, 1452
